Honestly, I'm not sure that your time and expense would justify the content of the symposium. But, you are an important research partner, so I will leave it up to you. Maybe you should check with Amy.

Mike,

Is this something I should consider attending, or is it more of a dog and poney show! Your advice?

Jane suggested that we consider sending out an invite to others who may be interested in attending the PSP Symposium. Aside from checking with Gen Weirich's office is there anyone from the Memphis /Shelby County Crime Commission, SC Sheriff's Office or TDOC/probations that we should invite. They would need to register by Friday and pay their own way. I can mention it again on our call Wednesday that we have open slots remaining.

Charles,

With that many available slots, we should send the invite to the Shelby Co Sheriffs Office, Corrections (Focused Deterrence) and anybody else who may be interested. Also let the DA and others know there are extra seats. Maybe the Memphis Crime group may want to send someone as well, as they may have funding.
